

Beginning October 17, 2021 Old Mission will no longer require reservations for worship.

For the safety of all our attendees, and to follow the first rule of Methodism to Do No Harm, please do not attend if you are experiencing any flu, or COVID symptoms such as fever, a new cough, or shortness of breath, or if you have been exposed to or could have been exposed to someone with COVID.

Everyone over the age of 24 months is required to wear a mask indoors at Old Mission.
